

Policy Memorandum No. 4 to Mine Operators

DATE: March 8, 1995 (Revised)
(Original Issue Date October 13, 1978, revised August 10, 1984)

TO: All Mine Operators and Lignite Energy Council

FROM: Commissioners Wefald, Hagen and Reinbold

SUBJECT: Payment of Charges for Analysis of Soil, Spoil and Water Samples Taken by Public Service Commission (PSC) Representatives

The responsibility for payment of any charges for the analysis of soil, spoil, or water samples taken by PSC representatives is as follows:

1. Charges for the analysis of any soil, spoil, or water samples taken by PSC representatives, when requested by an operator or his/her representative for deciding an issue relating to a field inspection of an existing permit, must be paid by the operator.
2. Charges for the analysis of any soil, spoil, or water samples taken by PSC representatives in consultation with the operator that are required for PSC review of any special requests submitted by the operator, must be paid by the operator.
3. Charges for the analysis of any soil spoil, or water samples taken by PSC representatives related to the PSC's monitoring and enforcement responsibilities will be paid by the PSC.
